FAQ's and Warranty Information

What comes with my door?

3 glass panels, one upper screen, hydraulic closer, hardware, wind chain & professional installation

Can I change my lock style after installation?

No, the doors are built to accommodate the lock selected at purchase, however, you can change your lock finish and handle type.

Is my door weatherproof?

Doors are weather resistant and can stand the unique climate of Colorado, however, some aging can be expected.

How can I clean or lubricate my door?

We suggest using gentle grease-cutting dish soap and water for the door itself and lubricating the hardware with a grease-less silicone-based lubricant. The glass can be cleaned using any glass cleaner and paper towels.

Why does my hydraulic closer occasionally stick?

Liberty hydraulic closers are manufactured using a liquid based system which can freeze in temperatures below 10 degrees. Given time to thaw, the closer will operate properly.

Security Storm Door Warranty

Liberty Home Products warrants to the original purchaser its Security Storm Doors, Hardware & Parts, if so equipped, to be free from defects in materials and workmanship under normal and intended use for the following duration commencing from the date of installation:

- The steel frame is warranted for the lifetime of the product
- The Powder coat finish is warranted for a period of two (2) years
- The parts of the door; locking hardware, glass, screen, wind chain, closer, hinges & double sweep are warranted for period of one (1) year
- Installations are warranted for a period of ninety (90) days

Any defects in the Security Storm Door must be reported to Liberty Home Products within the warranty period listed above. Under this warranty, Liberty Home Products, reserves the right to repair or replace those parts which have been returned or deemed defective. If any item is replaced due to a warranty claim, the warranty is not extended on the replaced item, but rather applies to the original warranty period.

This warranty does not cover normal wear and tear, damage caused by misuse or abuse, and acts of nature such as wind, tornadoes, hail, snow loads, rain/water accumulation, flooding, fire or vandalism.

Liberty Home Products is not responsible for defects caused by faulty installation, reinstallation, or service not performed by Liberty Home Products authorized personnel. Liberty Home Products shall not be liable for any incidental or consequential damages, loss or injury. This warranty gives you specific legal rights, but you may also have additional or other rights which may vary from state to state.

About Liberty

Here at Liberty Home Products we take pride in being a local, family owned & operated business. Since 1979, we have manufactured & installed quality home improvement products along the front range, from Ft. Collins to Colorado Springs.

Today we continue our longstanding commitment to provide you with prompt, personalized customer service, & high quality products. From our excellent craftsmanship to our on-site powder coat oven, Liberty Home Products will build & install your product in a professional manner & to your complete satisfaction.

Liberty Home Products has stood the test of time by offering superb products & skilled, insured installations at competitive prices. We strive to make your shopping experience an enjoyable one, & we thank you for your business.
